

Early Journal Content on JSTOR, Free to Anyone in the World

This article is one of nearly 500,000 scholarly works digitized and made freely available to everyone in the world by JSTOR.

Known as the Early Journal Content, this set of works include research articles, news, letters, and other writings published in more than 200 of the oldest leading academic journals. The works date from the mid-seventeenth to the early twentieth centuries.

We encourage people to read and share the Early Journal Content openly and to tell others that this resource exists. People may post this content online or redistribute in any way for non-commercial purposes.

Read more about Early Journal Content at <http://about.jstor.org/participate-jstor/individuals/early-journal-content>.

JSTOR is a digital library of academic journals, books, and primary source objects. JSTOR helps people discover, use, and build upon a wide range of content through a powerful research and teaching platform, and preserves this content for future generations. JSTOR is part of ITHAKA, a not-for-profit organization that also includes Ithaka S+R and Portico. For more information about JSTOR, please contact support@jstor.org.

INDICES TO VOLUMES XLI-L

I. INDEX OF CONTRIBUTORS

For indices to Volumes I-XX, XXI-XXX, and XXXI-XL, see appendix to Volumes XX, XXX, and XL respectively.

Roman numerals in small capitals denote volumes of the *Transactions*, heavy-faced Arabic numerals volumes of the *Proceedings*. Figures following these numerals refer to pages, the Roman pages of the *Proceedings* being represented for brevity by Arabic. Roman numerals in capitals usually refer to books in the works of authors.

P. A. indicates a presidential address, P. A. with asterisk, a presidential address of the Philological Association of the Pacific Coast.

Titles appearing in the Programme only are omitted.

ADAMS, C. D.

Notes on the Peace of Philocrates : xli 55.

Are the political 'speeches' of Demosthenes to be regarded as political pamphlets? xliii 5.

ALLEN, C. G.
